Dear Valued Customer,

Client Telephone Number

FastNet SMS Program

Thank you for your interest in the FastNet SMS program. Swiftnet provides this program and the installation thereof free of charge. To enable us to provide and install the software on your PC, the undermentioned Minimum Requirements must be met. In event that you require assistance in analysing your Personal Computer (PC), a nominal call out fee of R140.00 will be charged.

Minimum Requirements <i>(Please Mark with an X)</i>	Yes	No
1. My PC's Operating System is either Windows 95, 98, Millenium, 2000, XP or NT?		
2. There is a CD-ROM on my PC and it is operational?		
3. There is an open functional Serial/Comms Port on my PC?		
4. There is at least 20 Megabytes of free space on my PC's Hard Drive?		

Please arrange for a Technician to install the following SMS Applications on my PC/s.

Option 1

SMS Terminal Application. *(One PC)*

Option 2

SMS Server Application. *(More than one PC)*

Please indicate the number of PCs that the above applications are to be loaded on.

In the event that Swiftnet is to provide you with a serial cable, please mark the appropriate box with an **X**.

Serial/Comms Port connector type on your PC				9 Pin	25 Pin
Length of cable required	1.8m <i>(Free)</i>	3m <i>(Free)</i>	5m <i>(Free)</i>	10m <i>(R60)</i>	20m <i>(R90)</i>

Please Note

Swiftnet will perform its obligations with reasonable care and skill, but will not be held liable for any problems that arise during or after the installation process. In the event that the above information with respect to Minimum Requirements is not correct or a cable longer than 5m is required to be installed, a nominal call out fee of R140 will be charged.

All prices quoted are exclusive of VAT.
